During the flight

Some in-flight services have been modified:

Onboard service and catering have been adjusted

Our aircraft are equipped with HEPA filters. These filters capture 99,99% of viruses and bacteria, including coronaviruses

Every day, each KLM aircraft cabin is thoroughly cleaned, including all items and surfaces touched by passengers and crew, using approved disinfectants only

Crew is wearing face masks. All aircraft are equipped with corona kits.

Respect sanitary measures:

Mask has to be worn at all times, except while eating. Masks must be replaced every 4 hours

Wash your hands regularly with alcoholic gel or soap

Avoid as much as possible walking in the aircraft and physical contacts

Cough in your elbow and use disposable tissues

After landing, the crew will urge all passengers to remain seated until those in front of them have left, before collecting their hand baggage and leaving the aircraft.

Respect social distancing

Use an automated access control terminal with your passport and displayed QR code on [ArriveCan](#) app. Information will be verified by a border agent. Your 14-day quarantine address will be required.

All transfer busses have limited capacity for your convenience

In Canada

Covid-19 symptoms or not, the Quarantine Act imposes self-isolation for a period of 14 days upon your return to Canada, in a place where you will have no contact with vulnerable people(+65 or with health issues).

- You must wear a mask during your ride between airport and that your quarantine address. No stopovers allowed.
- Ensure to make arrangements for someone to take care of your essential needs (grocery, medication) or make orders online.
- Limit your outside presence to your yard or balcony. No visitors allowed.
- Keep a distance of at least 2 meters between you and other people
- Check your health status. If you show symptoms, call a doctor.

If above instructions are not observed, you could be liable to 6 months imprisonment and/or \$750 000 fine. Checks are carried out to verify that the quarantine is respected.

Please note:

Throughout the world, countries are opening up their borders very progressively and the situation may change rapidly. The authorities of some countries require passengers to fill in travel forms, quarantine on arrival, proof of a negative PCR-test or medical certificates. Passengers shall be responsible for all documentation required for their travel. They must ensure compliance with the requirements of the transit and destination countries' legal authorities in terms of immigration and border controls. Therefore, carriers cannot be held responsible in case of irregularities with travel documents.
