THESE FIGURES POSTED ABOVE ARE SOLELY REPORTED ON CATTLE VALUES AT EAST TEXAS LIVESTOCK

Total Sellers.....135

Total Buyers.....48

Total Feeder Calf Buyers.....20

Compared to last week's market, feeder steer and heifer weight class averages ended fully \$2 to \$4 higher. Slaughter cows today weakened by \$3 while the slaughter bulls remained steady.

With continuing warmer and dryer conditions in the grazing country, the availability of any winter grazing areas continues to become smaller. Seasonal lighter runs has helped keep the market figures strong but widespread rainfall could well help the buyer aggression become stronger resulting in higher prices.
