THESE FIGURES POSTED ABOVE ARE SOLELY REPORTED ON CATTLE VALUES AT EAST TEXAS LIVESTOCK

Total Sellers.....116

Total Buyers.....29

Total Feeder Calf Buyers.....14

On a weather related light run, the market prices today as compared to last week showed all weight classes of both feeder steers and heifers from \$4 to \$7 lower. Slaughter cows and bulls on a light test showed \$7 to \$10 higher.

The extreme cold weather conditions forecast the next several days have sent feeder buyers to the sidelines to avoid both health and transportation problems. Most have opted to wait past this week in order for better weather to start their feeder purchases again.
