THESE FIGURES POSTED ABOVE ARE SOLELY REPORTED ON CATTLE VALUES AT EAST TEXAS LIVESTOCK

Total Sellers.....136

Total Buyers.....48

Total Feeder Calf Buyers.....17

Compared to last week's market, feeder steers and heifers weight price averages ended fully \$9 to \$12 higher. Slaughter cows continued to be stronger by \$3 with slaughter bulls finishing \$2 higher.

Both the feeder and live cattle futures continue to close higher as there remains strong optimism fueled by a stronger demand for beef in both the domestic and export markets. The US Drought monitor however continues to show growing concerns as dry weather remains in the forecast in the Western states.
