For all prizing: Odds of winning a prize depends on the number of eligible entries received during the Promotion Period. There will be only one prize per winner. Lost or stolen prizes will not be replaced. The prize does not include any other item or expense not specifically described in these Official Rules, and any such

additional items or expenses are the sole responsibility of winner. Prizes may not be transferred or assigned. Only listed prizes will be awarded and no other prizing or substitutions will be made. Winners agree to accept the prize "as is", and entrants hereby acknowledge that Promotion Entities have neither made nor are in any manner responsible or liable for any warranty, representation, or guarantee, express or implied, in fact or in law, relative to the prize, including express warranties (if any) provided exclusively by a prize supplier that are sent along with the prize. Any valuation of the prizing stated is based on available information provided to Administrator. The value of any prize awarded to a winner may be reported for tax purposes as required by law. Each winner is solely responsible for reporting and paying any and all applicable taxes. Each winner must provide Administrator with a valid taxpayer identification number or social security number before any prize will be awarded. A Form 1099 will be issued to the winner for value of prize \$600 or more.

SELECTION AND VERIFICATION OF POTENTIAL WINNERS

Administrator will randomly select one (1) potential Grand Prize winner from all eligible entries on or around January 6, 2020. Once the Grand Prize winner has been verified, Administrator will randomly select one (1) potential First Place Prize winner from each of the twelve (12) prize pools (as selected at time of entry). Once the First Place Prize winners have been verified, Administrator will randomly select one (1) potential Second Place Prize winner from all remaining eligible entries. Administrator's decisions as to the administration and operation of the Promotion and the selection of potential winners are final and binding in all matters related to the Promotion. Administrator reserves the right to disqualify any participant or winner and may refuse to award any prize to a person who is ineligible or has violated any rule, gained unfair advantage in participating in the Promotion, or obtained winner status using fraudulent means.

If a potential winner is a Canadian resident, upon notification, the selected potential winner, must, unaided, correctly answer a time-limited mathematical skill-testing question. In the event that the potential winner is unable to answer the skill- testing question correctly, the Administrator shall have the right to disqualify the potential winner and to randomly draw another potential winner.

All potential winners are subject to verification by Administrator. Administrator will not accept screen shots or other evidence of winning in lieu of its validation process. Potential winners must continue to comply with all terms and conditions of these Official Rules, and winning is contingent upon fulfilling all requirements. Each potential winner will be notified by mail, email or phone, or via a direct message to the social account used to enter, as applicable. Each potential prize winner may be required to sign and return an Affidavit of Eligibility, Liability and Publicity Release ("Affidavit") and an I.R.S. Form W-9 or W8-BEN as applicable (except where prohibited), which must be received by Administrator within seventy-two (72) hours of the time notice or attempted notice is sent, in order to claim a prize (if applicable). If a winner is a minor in his/her province of residency, the Affidavit must also be executed by the winner's parent or legal guardian. If a potential winner of any prize cannot be contacted, fails to sign and return the Affidavit within the required time period (if applicable), declines the prize or prize is returned as undeliverable, such potential winner forfeits the prize. In the event that a potential winner is disqualified for any reason, Administrator will select an alternate potential winner by random drawing from among all remaining eligible entries, up to three (3) alternate potential winners. All alternate potential winners are subject to all requirements set forth in these Official Rules. If an alternate winner declines the prize or is disqualified, the prize will not be awarded.

If, for any reason, an entrant's entry is confirmed to have been erroneously deleted, lost, or otherwise destroyed or corrupted, entrant's sole remedy is another Promotion entry, if it is possible. If the Promotion, or any part of it, is discontinued for any reason, Administrator, in its sole discretion, may elect to hold a random drawing from among all eligible entries received up to the date of discontinuance for any prize offered herein. No more than the stated number of prizes will be awarded. In the event that production, technical, seeding, or programming errors or any other reasons cause more than the stated number of prizes as set forth herein to be available and/or claimed, Administrator reserves the right to award only the stated number of prizes by a random drawing among all legitimate, un-awarded, eligible prize claims.

ERRORS AND UNAUTHORIZED ACTIVITIES

In the event that the operation, security, or administration of the Promotion is impaired in any way for any reason, including without limitation, fraud, virus or other technical problem, Administrator may, in its sole discretion, either: (a) suspend the Promotion to address the impairment and then resume the Promotion in a manner that best conforms to the spirit of these Official Rules; or (b) cancel or terminate the Promotion and award the prizes in a random drawing from among all eligible entries received up to the time of the impairment. Administrator reserves the right in its sole discretion to disqualify any individual it finds to be tampering with the entry process or the operation of the Promotion or to be acting in violation of the Official Rules of this or any other promotion, or in an unsportsmanlike or disruptive manner. Any attempt by any person to undermine the legitimate operation of the Promotion may be a violation of criminal and civil law, and, should such an attempt be made, Promotion Entities reserve the right to seek damages from any such person to the fullest extent permitted by law. Administrator's failure to enforce any provision of these Official Rules shall not constitute a waiver of that provision.

RELEASE

Except where prohibited, by participating in the Promotion, entrant agrees to release Promotion Entities, prize providers, promotional agencies, franchisees, and each of their respective parent companies, affiliates, subsidiaries, successors, assigns, agents, representatives, officers, directors, shareholders, and employees (collectively "Released Parties"), from and against any and all liability for any claims, costs, injuries, losses or damages of any kind arising in connection with the Promotion, including without limitation (a) the unauthorized or illegal access to personally identifiable or sensitive information; (b) acceptance, possession, use, misuse, or nonuse of the prize that may be awarded; (c) any incorrect or inaccurate information, whether caused by entrants, printing errors or by any of the equipment or programming associated with or utilized in the Promotion; (d) technical and/or communications malfunctions, errors or failures of any kind; (e) unauthorized human intervention in any part of the Promotion; (f) technical or human error which may occur in the administration of the Promotion or the processing of entries; (g) any injury or damage to persons or property which may be caused, directly or indirectly, in whole or in part, from entrant's participation in the Promotion or receipt or use or misuse of any prize; (h) if Administrator must cancel or terminate the Promotion for any reason; or (i) if any prize cannot be awarded due to circumstances beyond Promotion Entities' control. Entrant agrees that in any cause of action, the Released Parties' liability shall be limited to the cost of entering and participating in the Promotion and in no event shall the Released Parties be liable for attorneys' fees or other legal costs.

Entrant acknowledges that the foregoing parties have neither made nor are in any manner responsible or liable for any warranty, representation or guarantee, expressed or implied, in fact or in law, relative to a prize including, without limitation, the prize quality or availability.

DISPUTES

As a condition of participating in the Promotion, entrant agrees that: a) any and all disputes, claims and causes of action arising out of or in connection with this Promotion or any prizes awarded shall be resolved individually, without resort to any form of class action, exclusively by arbitration pursuant to the Rules of JAMS, then effective. See Administrator's Terms of Use (<http://bit.ly/LNETerms>) for more information on arbitration requirements; Entrant further agrees that under no circumstances will entrant be permitted to obtain awards for, and entrant hereby waives all rights to claim, any damages whatsoever, including without limitation punitive, consequential, direct or indirect, or any other damages. All issues and questions concerning the validity, construction, interpretation, performance, and enforcement of the Promotion and these Official Rules, or the rights and obligations of the entrant and Promotion Entities, shall be governed by and construed in accordance with the laws of State of California, without giving effect to any choice of law or conflict of law rules (whether of the State of California or any other jurisdiction), which would cause the application of the laws of any jurisdiction other than the State of California.
