

CSI Data Quality Improvement

Webinar #11: Summary Reports 2

Summary: This session is a follow up to the previous brainstorming session for CSI summary reports. In this session we aim to finalize which summary reports will be most useful and move forward with their creation. Several counties have expressed interest in state-created CSI summary reports to be distributed. Similar to the DCR summary report webinars, this webinar acts as a brainstorming session for new summary reports. In a month, we will reconvene for a final webinar.
